Accessibility and defender of rights

Accessibility

This site tries to be accessible to as many people as possible, however if you encounter any difficulties do not hesitate to let us know via our contact form.

Display size

The text content in this site has a relative font size, i.e. it can be enlarged as needed.

To change the display size of the text:

> Mozilla Firefox, Microsoft Edge and Google Chrome: CTRL + plus sign (+) to enlarge
> CTRL + minus sign (-) to reduce
> CTRL + zero of the numeric keypad (0) to return to the default size.

> Safari: press simultaneously the Option + Command + minus sign (-) keys

> Internet Explorer: go to **View >> Text Size and choose**.

Navigation aids - Avoidance links

This menu is placed at the beginning of the page, these links allow, as soon as the page is loaded, to directly access the main areas of the site.

Navigation aids - ARIA roles for document zones

You can use your technical aid (screen reader…) to move around the pages thanks to the roles. These roles allow you to better structure the document and thus help you in your navigation.

> Width NVDA: NVDA + F7

> Width Jaws: CTRL + INS + semicolon (;)

> Width VoiceOver: CTRL + Option + U<
